# Theme Lucky Numbers

Somewhere between the prosaic and the poetic lies the realm of numbers. They partake of the purely pedestrian when you do everyday things like count your change or dial a phone. And they skirt the mystical when you speculate about the Blessed Trinity. So numbers are both plain and mysterious, and maybe that's why we are kind of superstitious about them; we play our favorite numbers at the track and we stay in bed on Friday the 13th. Well, we on the El Caballero staff are indulging in a little superstition with this yearbook. We think that 7 and 9 are our lucky numbers. And so we are making that the theme of our yearbook. Lucky numbers are most exciting in games of chance. So we have picked out a few numbered things you might come across in Las Vegas or Turf Paradise or even in your parish hall. And we have stretched them out from cover to cover. All this, because we hope this book will be numbered among your enjoyable experiences of 1979.

## Football Season Varsity

Eager to test strengths and weaknesses, the 1978 edition of Varsity Football took to the gridiron. On Sept. 8, the St. Mary's Knights opened the season with a victory over the South Mountain Rebels. The match marked Pat Farrell's debut as head coach for S.M., replacing N.A.U. bound Pat Lavin. After leading 7-3 at the half, the Knights found themselves being catered to by lady luck, as four fumbles bounced their way. The Rebel defense put the Knights on ice until the final frame, when Joe Allen ripped for a 59 yard scoring jaunt. Although South scored from 18, nine plays later, S.M. hung on and rode away, 1-0.

In game two, victory was not to be. The Knights stumbled into a brick wall in the shape of the Greenway Demons, and got blanked by a 16-0 margin.

It was horse-meat time in the city, as St. Mary's met undefeated Brophy Prep in game #3. Unfortunately, someone let the "horse" out of the bag, and the Knights were bucked 30-17. It might have been different ...

St. Mary's led 17-6 as the third period came to an end, but the Broncos galloped for 24 unanswered points in the final frame, upending the Knights for the first time in five years. The fourth period found the Knights plagued by a series of fumbles, bad snaps, costly errors and mistakes, as a solid Brophy team battled back, capitalizing on Knight misfortunes.

St. Mary's faced the Vikings from Sunnyslope next, and survived with a 19-13 victory. The Knights slashed for 332 yards on the ground, added 82 via air-mail, and held the Viking total to 143 yards to even their season at 2-2.

Oct. 6 found the Knights traveling to Moon Valley, where the green

machine thumped the rockets with a 21-14 blasting. St. Mary's scored only in the first half, and held on to outlast any rocket efforts.

Thunderbird was next, and the Knights were in high gear. Rolling for 231 on the ground and passing for 59 through the air, S.M. found the going easy and won with a 22-7 final score. St. Mary's led 9-7 as the final quarter began, and when it had ended, the Knights had scored twice for victory #4.

Although St. Mary's got stabbed in the stats department, they won on the scoreboard at Paradise Valley with a 20-9 victory, lifting their record to 5-2. S.M. split its offensive weapons to tally a less than impressive 161 yards total, but succeeded in crossing the goal line when they had to. In contrast, Paradise Valley exploded for 225 rushing, 96 passing, and had six more first downs than the Knights.

Oct. 27 marked perhaps the finest effort of the season for the St. Mary's Knights, the green machine arriving at Cortez with an air of quiet confidence and determination. Where there's a will, there is certain victory, as the Knights impressed the nonpartisan crowd with their seemingly unstoppable offensive thrusts and sticky defensive pressure.

The Washington Rams confirmed their stature as the #1 ranked team in the state, stopping St. Mary's with a 21-17 score. S.M. had visions of an upset in their heads as the final quarter began, but those thoughts faded away when the Knights turned the ball over with only a minute and a half to go.

Prescott was a downpour. In a slight drizzle which started in the second half, St. Mary's emptied their bench and their arsenal with a 41-0 blanking of the Badgers. The Knights completed the regular season with seven victories and three defeats, and now play-off time had returned. So did the Brophy Broncos. Wearing the play-off colors of green and gold, St. Mary's bowed to their cross-town rival by a 20-3 margin.

Pat Farrell ended his first season at the helm of St. Mary's Football with a 7-4 season, and anticipates the breaking out of gold pants next year, as returning lettermen are aided by an undefeated J.V. squad.

## Junior Varsity

Although 1978 proved to be a year to start off on the wrong foot for the Varsity, it also strengthened hopes for "gold in '79" when, for the first time in over twenty years, the traditionally so-so Junior Varsity blazed undefeated to 9-0. The Knights, who on the average outscored their opponents by better than 25 to 2, were scored on only three times, and stifled their foes with six shut-outs.

After a cancellation by South Mountain, St. Mary's opened the season at Bourgade, and left the Golden Eagles awestruck, 49-0. The first test of the season found the Demons of Greenway on top 6-0, with only a minute expired in the first quarter. True to the test, St. Mary's scored 25 before time ran out and clinched the victory.

So, the scene was set; in game three of the season, St. Mary's was to face arch-rival Brophy Prep, in a game of special significance for the J's. For it was the Broncos who blemished the Freshmen's record the year before with a tie, and sent last year's J.V. squad into a 14-9 tailspin. To quote the Raven, "never more." It was truly an inspired ball club that thrashed Brophy that warm Thursday afternoon, and when all was said and done, the score read: St. Mary's 32, Brophy Prep none.

Onward it was, and this time the Knights traveled north to Sunnyslope, where S.M. showed everyone the proper way to have a Viking funeral, stinging 'Slope 41-0.

In the next two games, the "gang" green defense had their job cut out for them. Uncharacteristically, the offense could hardly fizzle let alone explode. First it was Moon Valley— a game of nerves in which the Knights escaped with a 6-0 blanking of the Rockets, and then Thunderbird, where S.M., leading 14-7, had to stifle a comeback threat late in quarter number four.

Game seven was nearing, and the Blazin' J's realized that each game would become either a stepping stone into history, or a stumbling block into obscurity.

Determined to accomplish, the Green Machine thumped Paradise Valley, 26-0.

Cortez was it. If any one game of the season characterized the St. Mary's Junior Varsity, the debacle with the quick Colts from Cortez was the one. In a battle of the line of scrimmage, the gutty Knights overcame a 7-0 half-time deficit and continued their streak with a 12-7 victory.

The last game of the season was fought at Washington, where the Rams attempted to deal their foes a mark in the loss column, and fortunately, found themselves victim #6 for the shut-out crew, while the offense rolled up 24 points.

And so it was over! The coaches and fans alike had watched as the understudies to the "big V" gave 120% to earn their goal; from the early autumn mornings stretching on the dew tinged grass at Coronado "stadium," to the final seconds of the last game when the J's preserved their season. It can be safely stated that somewhere between those moments in time, 30 players discovered the enigma of success—and learned to appreciate it. 1979 lies ahead, and the players of yesteryear march on; fueled with the knowledge obtained in a glorious season, having learned everything from "A" to "Z".

## Powder Puff Junior Champs

Early in February, the Student Council gave the go ahead signal for the scheduling and preparation of a girl's powder-puff football championship. Each class appealed to prospective athletes for their participation. Single elimination was the rule for the intramural flag football contest. Thus, the Seniors set off to conquer the stubborn Sophomores, leaving the balanced Juniors to collide with the barbarous Freshmen. The response was incredible. Practice sessions, which were taught by student coaches, were only one week in duration, and attempted to prove which class had the dominant female athletes. The attendance at Coronado Stadium speaks for itself, as it surpassed that of any J.V. or Frosh home bout. In the opener, the Juniors crushed the Freshman's guerilla warfare strategy, and coasted to a 16-6 victory. Although the Seniors had a bit more

trouble, they rallied to defeat the Sophomores in overtime, 8-0. So the scene was set for the school title match, putting the top two classes against each other. In a tough championship game, the Juniors scored early and held on to win, with an 8-0 victory margin. All the girls deserve credit for their efforts, with teamwork getting its share of acknowledgement from the champs—who had a powerful line and a swift backfield.

## Varsity Basketball State Champs

Ron Gray can relax. After perennially falling inches short of "the game," the 1979 St. Mary's Knights met Tucson Santa Rita for the AAA state championship. The Knights, paced by high school all-american, Arizona Republic AAA Player of the Year Paul Williams, vanquished the Eagles with a 94-72 triumph. St. Mary's, who loomed as the premier squad in the state for the duration of the season, coasted to a 24-2 record and captured their first state title ever in basketball. S.M., averaging 80 points a game, steamrolled all opposition and remained undefeated in Arizona prep competition. The only losses occurred in the Nevada Las Vegas Christmas Tournament, where the Knights finished third. Gray's team shattered many records in this golden season, among them the play-off attendance record at Arizona State Activity Center. El Caballero wishes the best of luck to graduating seniors Paul Williams, Kenny Beard, Jimmy Robinson, Larry Jones, Brian Gilbert, Joe Allen, and Danny Armstrong; Juniors Rick Davis, Mark Mazon, Herb Tiffany, Malcomb "baby" Whitfield, and Tony Cordova return to defend the crown, along with added relief from a successful J.V. team.

# HERFF JONES' ROLE IN THE EDUCATIONAL PROCESS...

**HERFF JONES** Division of Carnation Company, was founded in 1920 in Indianapolis, Indiana, our national headquarters.

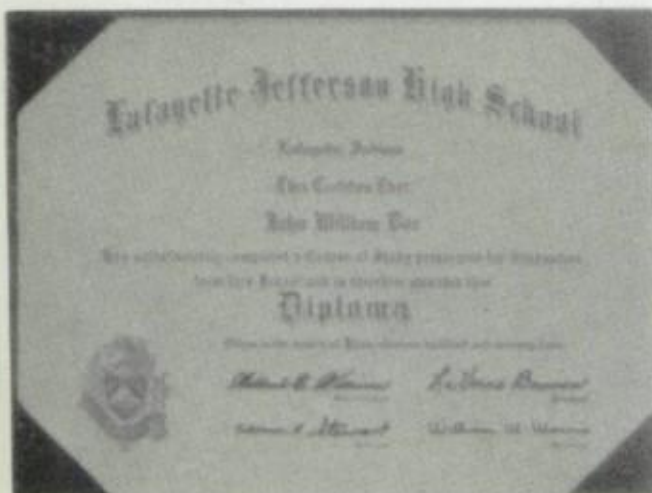

The main business of Herff Jones is serving the educational market with recognition, achievement, motivational and graduation awards for students. Additional services to the educational market include instructional multi-media programs, globes, maps and learning aids by the Nystrom Division; and diverse photographic services from Camera Art School Photographers, Inc., a subsidiary. Products marketed under the Herff Jones name include high school and college class rings, pins, medals, yearbooks, graduation announcements, diplomas, caps and gowns and accessory items, as well as recognition and motivational programs for industry.

Herff Jones employs over 2,000 people in twelve locations from coast-to-coast. Over 400 professionally trained sales representatives sell and service Herff Jones products throughout the United States.

## GRADUATION STATIONERY

Herff Jones offers graduates a superb line of graduation announcements, thank-you notes, name cards, memory albums and accessory items.

## DIPLOMAS

... the ultimate goal toward which all students are striving. Herff Jones is one of the largest producers of fine diplomas manufactured in two regional plants.

**HERFF JONES**
